GUERNSEY.—St. Peter-Port from White Rock.

LL59121

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

GUERNSEY.—St. Peter-Port from White Rock. An exceedingly interesting view can be obtained of St. Peter-Port, the capital of Guernsey, from the White Rock. The town of St. Peter-Port is built on the slope of a hill, with tier upon tier of tall red-roofed houses clustering down to the water's edge, the whole effect being picturesque in the extreme.
